

CHANGE FOR THE CURE

DUE MARCH 10, 2011

We are asking Mississippi Rainbow to make your change work for a cure! It's easy! And you'll never know what you're missing!

Every Rainbow Girl will receive a **MASON JAR** in support of this project. All that we want you to do is toss your **SPARE CHANGE** into this jar throughout the year. Then, pour all of that spare change into a ziplock bag in March and bring it with you to the Grand Worthy Advisor's annual brunch! All of the change will then be collected and counted. The Assembly with the most **CHANGE FOR THE CURE** will win a pizza party at Grand Assembly 2012!

But the fun is only just beginning. Save that mason jar, because we are asking that every Rainbow Girl **DECORATE** her mason jar and bring it to Grand Assembly. These jars will be used to decorate the Grand Assembly room and we will award a prize to the best decorated jar! So be creative and have fun!
