

How Sweet It Is!

Grand Assembly Membership Program

Our Grand Assembly Membership Program honors our state insect, the **bee**, and our Supreme Deputy, Mom Honey! This program continues from year to year, until a Rainbow Girl sponsors seven new initiates and receives a **very “sweet” gift!**

For the first new initiate that a Rainbow Girl sponsors, she will receive a **pin** for her brag rag. This pin has been designed exclusively for Mississippi and has a beehive theme with our state name. In addition to the pin, the sponsor will also receive a **drop** with one honey bee on it. For each additional initiate, she will receive an additional honey bee drop for her brag rag!

And as we all know, bees prefer to travel in groups, so **show us how sweet you are** and sponsor a new member for initiation this year!
