

2010-2011 Grand Representatives

Grand Assembly Competitions

Each year we feature a competition exclusive to our Grand Representatives. This year will be no exception. There will be two opportunities for a Rainbow Girl to “let her light shine” with the Grand Assembly **Costume Contest** and the Grand Assembly **Grand Representative Report**.

And here’s the most **exciting part**: if a Rainbow Girl participates in both of these contests at Grand Assembly, she will receive a **fantastic gift** for representing her states as a Bouncing Butterfly!

The Grand Assembly Costume Contest will be on Thursday night during the Informal Opening. And Grand Representatives will present their reports on Friday during our afternoon session. So get started corresponding with your counterpart, collecting information about your states and making a costume that will take the cake!
